Walking route

This 15-20 minute walk starts outside the Up In Arms pub on Marston Road, but you can just as easily use this as a point along the route, and it's a great starting place to pick up a morning coffee too!

Head along the Marston Road in the direction of Oxford City Centre. There is a crossing near St Michael School on the left hand side of the road which will help you turn left up John Garne Way and up the hill through the middle of Clive Booth Student Village.

Follow the main route through the middle of Clive Booth until you get to the top right corner. A path will lead you up to another path that heads behind Headington Hill Hall.

Once you're on this path, keep heading up the hill with the allotments on you left, and the Richard Hamilton building on your right, until you get to the top at Pullens Lane – turn right here.

When you've made it to Headington Road, a glance to the left and you'll see your destination!
