## STUDY OPTIONS

We can offer you a range of levels of study, from bachelor's and foundation degrees through to advanced study at master's and PhD level.

- **International Foundation:** Our foundation courses provide a bridge between school study in your home country and undergraduate study, offering a guaranteed pathway to a degree if you pass with required grades.
- **Undergraduate:** A bachelor's degree will take three years to complete full-time, or four years if you opt for a work placement.
- **Pre-Master's:** These courses are designed to develop your subject knowledge, study skills and academic language level in preparation for your master's degree.
- **Postgraduate:** After completing your bachelor's degree, you can go on to study for a master's and specialise in an area that interests you.
- **Research degrees:** You can study for a Master of Philosophy (MPhil) or Doctor of Philosophy (PhD) degree and conduct original research in your subject area.

Entry requirements vary depending on the course you apply for. Equivalent academic qualifications can be accepted and we are happy to consider applicants on a case-by-case basis.

## STUDENT SUPPORT SERVICES

Our student support services include:

- An academic adviser and Student Support Coordinator who are there for you throughout your course.
- International Student Advice Team to help with visa, immigration, employment and financial queries.
- Medical and dental services on campus.
- The Mental Health and Wellbeing Support Service.
- Inclusive Support Service.
- Careers Centre to guide you to your future career.
